Conversation

Situation: Emily is talking about an iris scan

Emily: Hey, everyone! _____(1)_____? I just did it at Heathrow Airport.

Maria: No, but I've heard it's better than fingerprinting or DNA profiling. How does it work?

Emily: You just stand in front of a camera and your eyes are digitally photographed. Then, it's checked against your records.

Carol: _____(2)_____ when the scan doesn't match your records?

Emily: Well, I was wearing contact lenses and _____(3)_____. They interviewed me for half an hour before letting me go.

Read Comprehension

Dear Grandma,

How's it going? Things are great here.

My mother talked with my teachers today about my school work. I did OK. My worst report was from my science teacher. She said I was lazy. My math teacher said I should try harder. My history teacher said I could do better. But my English teacher said my listening was satisfactory and the other skills too. I guess I should study more.

Hope to see you soon.

Judy

21. What is the letter mainly about?
